Salary Grades in Technical Departments

@@2925. SHRI SANTOSH BAGRODIA:
SHRI RAGHAVJI:

Will the Minister of FINANCE be pleased to state:

(a) whether it is a fact that different technical departments follow-different salary grades and some departments have one or two additional grades; and

(b) if so, the details thereof; and the action Government propose to remove the anomaly?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI SHANTARAM POTDUKHE): (a) and (b) The Pay Commisssion's recommendations which formed the basis for the revised scales of pay in Central Government have not categorised any Department as technical department for the purpose of pay scales or grade structure. The Pay Commission have referred to certain Departments like Atomic Energy, Space, etc. as Scientific Organisations. In any case the salary structure and grades in any Department will depend upon a large number of parameters such as educational qualifications, duties and responsibilities, span of control, percentage of direct recruitment, extent of supervision, organisational structure etc. In view of this it is quite possible that two different departments may have different salary grades based on different indices of parameters and it cannot be termed as an anomaly.
